Dear Friends,

In a year of change, your support has been a wonderful constant! In April, University Health Care Foundation's Board of Trustees unanimously voted to change our name to Piedmont Augusta Foundation to better align with the system we were founded to support. Although our name changed, our purpose remains the same, and every dollar raised stays in our community to make a positive difference in every life we touch.

Looking back at 2022, your generosity made a big difference in the lives of our patients and their families, and for the staff and physicians who care for them. In these pages you will see the impact we were able to make – from funding Piedmont Augusta's new Cancer

Survivorship Program (an important step in our cancer patients' continuum of care) to paying for LifeVests for patients at risk of cardiac arrest (so they can be discharged from the hospital safely), the Foundation has been able to make a difference in our community because of your generous support.

One of our biggest projects this year was raising more than \$1M for nurse scholarships to help address the nursing shortage, and we are excited to announce that we have surpassed that goal and are still receiving donations. When we ask, you understand the need and your support of this innovative program and partnership with Augusta Tech will help transform the lives of those who not only want to be nurses, but also the patients and families they'll care for.

We want to acknowledge and thank Jay Jernigan for his service as a Trustee and for his ongoing support of our hospital and the foundation his grandfather Harry W. Jernigan Jr. founded. In 2023 we also welcome our newest Trustee, Robin Dudley of Thomson. McDuffie County is an important community for our system and we are proud of our hospital there and we are thrilled Robin has joined our Trustees.

Thank you again for your support and what you enable us to accomplish!

A handwritten signature in cursive script that reads "Laurie Ott".

2022 Highlights

3,546 Instances of Patient Financial Assistance \$435,978

Patient Assistance

Piedmont Augusta Foundation has 15 endowments that provide financial assistance to qualified patients undergoing medical treatment. This assistance includes everything from lifesaving medications, utility bills, transportation, mortgage payments and more – so patients can focus on getting well.

Piedmont Augusta Foundation provided LifeVests for patients at risk for sudden cardiac arrest. This lifesaving device allowed patients to get discharged from the hospital and return to normal daily activities while giving them protection from sudden cardiac death. LifeVest is a wearable defibrillator that must be worn at all times and can detect life-threatening rapid heart rhythms and automatically deliver treatment shock, ultimately saving a patient's life.

10 Patients Received Zoll LifeVests \$35,000

Employee Assistance

The Helping Hands Endowment at Piedmont Augusta Foundation provides assistance to employees who experience a catastrophic financial hardship (i.e. house fire, funeral expenses).

138 Instances of Employee Financial Assistance \$93,271

37 Scholarships \$74,000

225 Instances of Employee Continuing Education \$120,377

Scholarships/Continuing Education

Piedmont Augusta Foundation supports career development and has several endowments and funds that provide nursing scholarships for current Piedmont Hospital employees pursuing advanced degrees and that support continuing education.

\$1,011,630 Raised for Nursing Scholarships

In January of 2022, Piedmont Augusta and Augusta Technical College announced their nursing education partnership and Piedmont Augusta Foundation committed to raising \$1M dollars to address the immediate need for scholarships for students who want to be nurses. The national nursing shortage was only made worse by the COVID pandemic and our goal is to pave the way to making more nurses by partnering with Augusta Technical College to expand the pipeline into nursing schools and increase the number of nursing students from 60 per year to 260 per year within 5 years for our community and for our hospitals.

Truly this is an innovative approach to address the critical nursing shortage and we hope it may serve as a model for other communities. We can only care for patients in our hospital if we have nurses working alongside physicians to provide high quality safe care. To date, we have surpassed our \$1M goal and have raised \$1,011,630 for this initiative.

"I am so thankful for each and every person who has made this scholarship possible. I am so grateful and look forward to earning my nursing degree and becoming a part of the Piedmont family." **Christy Alexander**

"I am very thankful for this scholarship opportunity that has lifted a weight off my shoulders. It's given me the extra boost I needed to reach my goal of becoming an RN with Piedmont Augusta." **Laura Deford**

Patchin Weston Endowment

30 years of assistance

**Art Patchin, Jr. &
Dr. Michael Shlaer**

In 1993, Dr. Michael Shlaer established an endowment with University Health Care Foundation in memory of his patient and friend, Art Patchin, Jr. Art was a self-employed contractor and avid golfer who struggled financially while he battled cancer. He ultimately chose to stop his cancer treatments in order to provide for his family. Dr. Shlaer's hope in establishing the endowment was that no patient ever has to make that choice.

Thanks to our generous donors, the Patchin Weston Endowment has grown considerably in 30 years and has assisted thousands of patients. In 2022, the endowment

funded 769 instances of patient assistance totaling **\$111,335** – this includes purchasing medication, paying utility bills or housing costs and transportation to medical appointments.

Jernigan Golf Tournament

36 years of assistance

2022 Total: \$185,700

Thank you to all of our sponsors, donors, and volunteers who helped make the 36th Jernigan Memorial Golf Tournament a success! This year 73 teams played 18 holes to raise \$185,700 to help fund Piedmont Augusta's new Cancer Survivorship Program. The Survivorship Program includes everything from yoga and music therapy to dietary counseling and financial advising for cancer patients during their continuum of care in conjunction with acute and traditional medical treatments. Congratulations to our first place team from Ellefson Transportation. Best Hole Display went to our sponsor Knee Rover Mobility and our Volunteer of the Tournament was Kathi Smoker.

Miracle Mile Walk

Flooding the streets with pink

**Miracle
Mile Walk**

Piedmont Augusta Foundation held the 22nd Annual Miracle Mile Walk on Saturday, October 15, at the Augusta Common. Two years after changing the annual 3-mile fun walk during the COVID pandemic to a “drive-thru” event, the streets of downtown Augusta were once again a sea of pink as thousands of walkers flooded the streets to celebrate breast cancer survivors, newly diagnosed to 20+ years cancer free, and honor those who are no longer with us. It was great to be back in person for this special event, raising more than **\$450,000** to pay for lifesaving mammograms for under and uninsured women! Saving lives through early detection of breast

cancer is made possible by local support of the Miracle Mile Walk. One hundred percent of the net proceeds raised stay in our community to support patients at Piedmont Augusta’s Randy W. Cooper, MD, Center for Breast Health Services.

Ed Burr

Honor Gifts - Ed Burr

In February, Ed Burr retired after 35 years of service to University Hospital and to this community. We were fortunate that he leveraged his brain power for the benefit of our hospital and system, which has only made our ability to care for this community that much stronger. To celebrate his legacy, gifts were made in his honor to the Agnes Meredith Burr Endowment. This endowment, established by Ed in memory of his mother, supports much-needed financial assistance to Piedmont Augusta's cancer patients.

James R. Davis

Honor Gifts - Jim Davis

After a nearly 14-year tenure as our CEO, Jim Davis closed the year with a well-deserved retirement. His decades of healthcare leadership transformed our organization. With a keen eye for continuously improving quality and safety for our patients and improving access to care, this year, Jim established an innovative partnership with Augusta Technical College to create more nurses for our hospital and this community. To celebrate his years of service, contributions were made in his honor to support our Foundation's nursing scholarship fund. This fund will provide much-needed scholarships to Augusta Technical College nursing students who will attend classes at Piedmont Augusta's Summerville Campus.

Giving Tuesday

Raising funds for nurse scholarships

Giving Tuesday is a day where nonprofit organizations around the world celebrate the work they do and partner with their donors to make a lasting impact on their organization. This year Piedmont Augusta Foundation took this opportunity to raise funds to support our Nurse Scholarship Program. The scholarships awarded through this program assist our employees in advancing their nursing careers.

“I think it is important for nurses to further their education because it leads to better outcomes for our patients. Knowing Piedmont Augusta Foundation has resources available to help financially support nurses advancing their career is a blessing. Every dollar given to the Nurse Scholarship Program is important. Thank you to everyone who gives!”

Raven Dunn, RN, BSN, CMSRN

1818 Celebration

Since 1978, Piedmont Augusta Foundation has raised millions of dollars to support our local hospital, its staff, physicians, and patients. As you have seen in this 2022 Impact Report, last year our donors contributed to patient and employee financial assistance efforts, scholarships, and continuing education for staff, mammograms for hundreds of women, equipment purchases, our cancer survivorship program and pastoral care expenses. Piedmont Augusta Foundation donors help us make a positive difference in every life we touch. At the end of each year, it is our pleasure to thank our sustaining donors with the 1818 Society Celebration. On December 8th, Piedmont Augusta Foundation hosted the annual 1818 Society Celebration at the beautiful home of Dr. and Mrs. Bleakley Chandler. The evening was filled with delicious food, fellowship and the holiday spirit. Thank you to our donors!
