Who We Are

Piedmont Augusta, founded in 1818 and formally University Hospital, is the oldest and largest hospital in our region and the second oldest in Georgia. This 812-bed, not-for-profit community hospital provides acute-care services and encompasses two campuses, including Piedmont Augusta Summerville Campus, and serves 25 counties across two states. The hospital joined the Piedmont family on March 1, 2022, and leads the region in safety, quality and price transparency. Piedmont Augusta gives back to our community in other ways, including contributing more than \$1 billion annually to our community including contributing more than \$1 billion annually to our community according to the Georgia Hospital Association and providing more than \$41 million annually in indigent and charity care.

Piedmont Augusta continues to train tomorrow's caregivers, spending nearly \$20 million in 2021 for our School of Radiography, School of Cardiovascular Technology and interns and residents. Piedmont Augusta has set itself apart with quality and safety awards and accreditations covering our comprehensive heart and vascular care, orthopedics, neurosciences, bariatrics and weight management, cancer services, minimally invasive surgeries and obstetrics and gynecology.
