Who We Are

Piedmont Macon Medical Center is a 310-bed not-for-profit facility providing compassionate, patient-centered care in middle Georgia. Founded in 1971, Piedmont Macon has grown to be a healthcare leader for middle Georgians, providing 24-hour emergency care, inpatient and outpatient surgery options, maternity services, rehabilitation programs, behavioral health and diagnostic services. At Piedmont Macon, we are dedicated to improving the health of those in the communities we serve. We take pride in the outstanding care we provide and our record of accomplishment speaks for itself.

Piedmont Macon North Hospital is a 103-bed not-for-profit community hospital serving Middle Georgia. Highlighted by a robust ER and a strong and growing elective surgical program, we offer expertise in a variety of specialties, including bariatric surgery, orthopedic care, spine care and gastric reflux disease. At Piedmont Macon North, we're committed to delivering innovative, expert healthcare – with a compassionate touch – that's close to home.
